报告题目:

**Modified Camassa-Holm Equation,  
its Backlund Transformation and  
Nonlinear Superposition Formula  
(II)**

邀请人: 常向科 副研究员

报告时间: **2019 年 12 月 10 日(周二)**

**晚上 20:00-21:00**

报告地点: **数学院南楼二层**

**Abstract:**

**As for the modified Camassa-Holm equation, the related nonlinear superposition formula is worked out and applications of both Bäcklund transformation and nonlinear superposition formula are considered.**
