

数学与系统科学研究院

计算数学所定期网络学术报告

报告人: **Prof. Pingbing Ming**

( *ICMSEC, AMSS* )

报告题目:

**An Introduction to the numerical  
methods for multiscale PDEs**

报告时间: **2021 年 11 月 11 日 (周四)**

**下午 16:00-17:00**

报告工具: **腾讯会议 (ID: 605 4978 9293)**

会议链接:

**Abstract:**

**Multiscale partial differential equations have been found in many different subjects in Science and engineering. We shall give an overview on various numerical methods for multiscale PDEs. Some recent progress will be highlighted.**
